Production Dance Class

Production is a special choreography-based class created for current Uptown dancers ages 8–18 who are enrolled in two or more classes. Designed to celebrate our 15th season, this exciting opportunity brings dancers together from different age groups and levels to create one unforgettable performance.

There are 3 levels to register in and limited spaces! This dance will perform in both Show C and Show D.

Classes start **January 2, 2027!**

Attendance

- Attending class regularly is important to a dancer's success! It is difficult for the dancer to feel confident performing when they have missed several classes

- If a dancer must miss class, please email uptown@fmcsd.ab.ca to let us know

- If you arrive late for class, please knock on the door and the instructor or assistant will let your dancer in the studio.

- Parents, please wait in the hallway by the benches, and the Instructor or assistant will bring your young dancer back to the hallway for pick up after class.
